

Dear Sir

Switzerland Dec 3 1878

I have from New Haven to settle  
account with a number of people, among  
them intended to visit you, but meeting with  
Mr. Porter & Wife on Thursday to Marion  
send you my acknowledgments; and wish you  
would send me the balance by your  
Deposit, sent such, as I am almost  
afraid to ask. Pray let me  
know had you found out Chas. &  
Butler; be kind enough to let me know  
particulars. I do not much to find  
you words of our arrival of the testimony  
and testimony. My best regards  
to Sally — By the way, Fairford  
Crawton has taken and sent in a rich  
prize. This for the benefit of a  
worthy friend Col. Ross as well as my  
self.

Yours,

Wm. Edwards
